#15-07

Architectural floor plan of the second floor. The plan features a large, open area labeled "PRIVATE ROOF TERRACE (OPEN TO SKY)". To the right, a detailed staircase area is shown, including a "TRELLIS ABOVE", a "PLANTER BOX", and a "PLANTER BOX" below. The plan also includes several windows, some marked with an 'X' and others with a cross-hatch pattern. A dashed line indicates a boundary or transition area.

The plan shows a site with several numbered pits. A scale bar at the bottom left indicates distances from 0 to 5 meters. A north arrow is located at the bottom center. A key plan at the bottom right shows the layout of the pits, with some pits numbered 01 through 38. The key plan is labeled 'Key plan (Not to scale)'.

| e. | Hot water supply   | Hot water supply will be provided to all bathrooms and Wet Kitchen                                                                 |
| f. | Security           | i. Telephony between Basement and First Storey Lift Lobby to Apartment Units, where applicable, based on a telephone line system   |
|    |                    | ii. Automatic car barrier access system provided at the main entrance                                                              |
|    |                    | iii. Card Access System provided at basement and 1st storey lift lobbies                                                           |
|    |                    | iv. Closed circuit television system at designated common areas                                                                    |

**Notes:**

**A. Marble/Compressed Marble/Limestone/Granite**

Marble/compressed marble/limestone/granite are natural stone materials containing veins with tonality differences. There will be colour and markings caused by their complex mineral composition and incorporated impurities. While such materials can be pre-selected before installation, this non-conformity in the marble/compressed marble/limestone/granite as well as non-uniformity between pieces cannot be totally avoided. Granite tiles are pre-polished before laying and care has been taken for their installation. However, granite, being a much harder material than marble, cannot be re-polished after installation. Hence, some differences may be felt at the joints. Subject to clause 14.3 of the S&P Agreement, the tonality and pattern of the marble, limestone or granite selected and installed shall be subject to availability.

**B. Timber Strips**

Timber strips are to be of composite or natural materials containing veins and tonal differences. Thus, it is not possible to achieve total consistency of colour and grain in their selection and installation. Timber strips are also subject to thermal expansion and contraction beyond the control of builder and vendor. Natural timber that is used outdoors will become bleached due to sunlight and rain. Thus, the cycle of maintenance on staining will need to be increased as required. Notwithstanding this note, the Vendor shall remain fully responsible for the performance of its obligations under clause 9 of the S&P Agreement and clause 17 of the S&P Agreement.

**C. Air-Conditioning System**

To ensure good working condition of the air-conditioning system, the system has to be maintained and cleaned on a regular basis by the Purchaser. This includes the cleaning of filters, clearing of condensate pipes and charging of gas. The Purchaser is advised to engage his/her own contractor to service the air-conditioning system regularly.

**D. Television and/or Internet Access**

The Purchaser is liable to pay annual fee, subscription fee and such other fees to the television and/or internet service providers or any other relevant party or any relevant authorities. The Vendor is not responsible to make arrangements with any of the said parties for the service connection for their respective channels and/or internet access.

**E. Materials, Fittings, Equipment, Finishes, Installations and Appliances**

Subject to clause 14.3 of the S&P Agreement, the brand, colour and model as specified for all materials, fittings, equipment, finishes, installations and appliances to be supplied shall be provided subject to Architect's selection and market availability and the sole discretion of the vendor.

**F. Layout/Location of Wardrobes, Cabinets, Fan Coil Units, Electrical Points, Television Points, Telecommunication Points, Audio Intercom System, Door Swing Positions and Plaster Ceiling Boards**

Layout/Location of wardrobes, kitchen cabinets, fan coil units, electrical points, television points, telecommunication points, audio intercom system, door swing positions and plaster ceiling boards are subject to Architect's final decision and design.

**G. Warranties**

Where warranties are given by the manufacturers and/or contractors and/or suppliers of any of the equipment and/or appliances installed by the Vendor at the Unit, the Vendor will assign to the Purchaser such warranties at the time when vacant possession of the Unit is delivered to the Purchaser. Notwithstanding this assignment, the Vendor shall remain fully responsible for the performance of its obligations under clause 9 of the S&P Agreement and clause 17 of the S&P Agreement.

**H. Web Portal of the Housing Project**

The Purchaser will have to pay annual fee, subscription fee or any such fee to the service provider of the Web Portal of the Housing Project as may be appointed by the Vendor or the Management Corporation when it is formed.

**I. False Ceiling**

The false ceiling space provision allows for the optimal function and installation of M&E services. Access panels are allocated for ease of maintenance access to concealed M&E equipment for regular cleaning purposes. Where removal of equipment is needed, ceiling works will be required. Location of false ceiling is subject to the Architect's sole discretion and final design.

**J. Glass**

Glass is manufactured material that is not 100% pure. Invisible nickel sulphide impurities may cause spontaneous glass breakage, which may occur in all glass by all manufacturers. The Purchaser is recommended to take up home insurance covering glass breakage to cover this possible event. Notwithstanding this note, the Vendor shall remain fully responsible for the performance of its obligations under clause 9 of the S&P Agreement and clause 17 of the S&P Agreement.

**K. Laminated Flooring**

Laminated flooring is manufactured material which contains tonality differences to match natural wood finish. Thus, it is not possible to achieve total consistency of colour and grain in its selection and installation. Laminated floors are installed in modular planks and are subject to thermal expansion and contraction beyond the control of builder and vendor. Notwithstanding this note, the Vendor shall remain fully responsible for the performance of its obligations under clause 9 of the S&P Agreement and clause 17 of the S&P Agreement.

**L. Mechanical Ventilation System**

Mechanical Ventilation fans and ductings are provided to toilets which are not naturally ventilated. To ensure good working condition of the mechanical ventilation system, the mechanical ventilation system for the exhaust system within internal toilets (where applicable) is to be maintained by the Purchaser on a regular basis.

**M. Planters**

Planters are designed to take the loading of potted plants only. No soil material or turf/plants will be provided in the planters.

**N. Wall**

All wall finishes shall be terminated at false ceiling level. There will be no tiles/stone works behind kitchen cabinets/long bath/vanity cabinet/mirror.

**O. Tiles**

Selected tile sizes and tile surfaces flatness cannot be perfect and are subject to acceptable range described in Singapore Standards SS483:2000.

**P. Position and Provision of Power Points, Switches and TV Outlets and Other Items**

The position and provision of all power points, switches and TV outlets and other items listed in the Electrical Schedule in S&P Agreement as may be displayed in the showflat(s) are indicative and for illustration purposes only and subject to our Consultants' design.

**Q. Open Roof Terrace, Open Terrace, Balcony and Private Enclosed Space (PES)**

Open roof terrace, open terrace, balcony and PES which are open or covered by trellises should not be covered by roofs. Covering of the open roof terrace, open terrace, balcony and private enclosed space (PES) constitutes additional Gross Floor Area(GFA), which requires the necessary planning permission from the Authority and consensus of the Management Corporation.

**Disclaimer:**

While every reasonable care has been taken in preparing this brochure and in constructing the scale models and show flats,Tampines EC Pte Ltd ( the "Developer") and its Market-ing Agent(s) cannot be held responsible for any inaccuracies or omission. Visual representations, scale models, show flat displays and illustrations, photographs, art renderings and other graphic representations and references are intended to portray only artistic impressions of the development and cannot be regarded as representations of fact. All information, specifications, rendering, visual representations and plans are current at the time of publication and are subject to change as may be required by the Developer and/ or the competent authorities, and shall neither form part of any offer or contract nor constitute any warranty by us and shall not be regarded as statements and/or representations of fact. Floor areas are approximate measurements and are subject to final survey. The Sale and Purchase Agreement (the " Sale Agreement") shall form the entire agreement between the Developer and the Purchaser, and shall supercede all statements, representations or promises made prior to the signing of the Sale Agreement and the terms of the Sales Agreement shall in no way be modified by any statements, representations of promises by the Developer and/ or its Marketing Agent(s). The property is subject to final inspection by the relevant authorities to comply with the current codes of practice.

# Developers' Track Record

Developed by Tampines EC Pte Ltd  
a consortium comprising:

## AMARA HOLDINGS LIMITED

Amara Holdings Limited ("Amara") is a home-grown integrated lifestyle group with operations in Hotel Investment and Management, Property Investment and Development, as well as Specialty Restaurants and Food Services. Amara's Property Investment and Development operations span across retail, commercial and residential sectors.

(Clockwise from top left)  
1. Killiney 118  
2. The Abode at Devonshire  
3. The Linear

An Amara home draws inspiration from natural surroundings while celebrating the good life that one aspires to lead each day. We believe that by creating a blissful lifestyle, one can truly enjoy home and experiences discovered in it.

In a continuous effort to deliver creativity and value to our customers, Amara has developed several highly desired residential projects within Singapore. Our residential portfolio includes The Linear, Residence at Hythe Road, The Abode at Devonshire and Chelsea Village. The property arm of Amara has also recently developed Killiney 118, a six-storey freehold boutique development with close proximity to Orchard Road.

## KAY LIM HOLDINGS PTE LTD

Started in 1989 as a construction business, Kay Lim Holdings Pte Ltd ("Kay Lim") has established itself as an A1 contractor with the Building and Construction Authority (BCA). With extensive experience in the building and construction industry, some of its award-winning projects include the Victoria School and Hostel and HDB's first eco-precinct project, Treelodge@Punggol.

Kay Lim was awarded the Green and Gracious Builder Award by BCA for its effort to address environmental and public concerns arising from construction works. It is also the main contractor for CleanTech One, the first building in Singapore's first eco-business park.

Kay Lim diversified into the property development business in 2010, with its successful launch of Rangoon 88 at Rangoon Road. The company together with SingXpress Land, is also the developer for Pasir Ris One, a DBSS project.

1. Rangoon 88 at Rangoon Road  
2. CleanTech One

With its commitment towards sustainable environmental protection and delivering quality products, home buyers can be assured that they will be getting value for their money.

## SINGXPRESS LAND LTD

(From top)  
1. Charlton Residences  
2. Pasir Ris One (DBSS)

SGX-Catalist listed, SingXpress Land Ltd ("SingXpress Land" or the "Group") specialises in property development, real estate investment, real estate co-investing, property trading and real estate management services. It is backed by a management team and a board of directors with strong financial expertise and experience in property development and management.

SingXpress Land's distinction as an industry player is in its combined strategy of focusing strongly on design and utilising an "investment banking" approach towards property development. A vision of its Managing Director, Mr Chan Heng Fai, SingXpress Land's "investment banking" approach is essentially a syndication approach whereby the Group leads in seeking out development sites or other related opportunities, sets the commercial parameters (including the level of debt and equity) and then brings in co-investors and joint venture partners, playing as far as possible a lead or co-lead role for the duration of such projects.

In March 2012, SingXpress Land has sold out all units of Charlton Residences (previously Foh Pin Mansion) within four months after its launch. Following that feat, SingXpress Land successfully launched Pasir Ris One in April 2012, a DBSS development adjacent to Pasir Ris MRT.
